

1 - La diagnostica per immagini nel trauma ad alta energia

7

*[Handwritten signature]*

2 - La diagnostica per immagini nell'ictus

3 - La diagnostica per immagini nel modulo polmonare

A handwritten signature in black ink, appearing to read "A. B. Deod" or similar, written in a cursive style.

Caso 1: Ematoma sotto durale esame TC dischetto 1

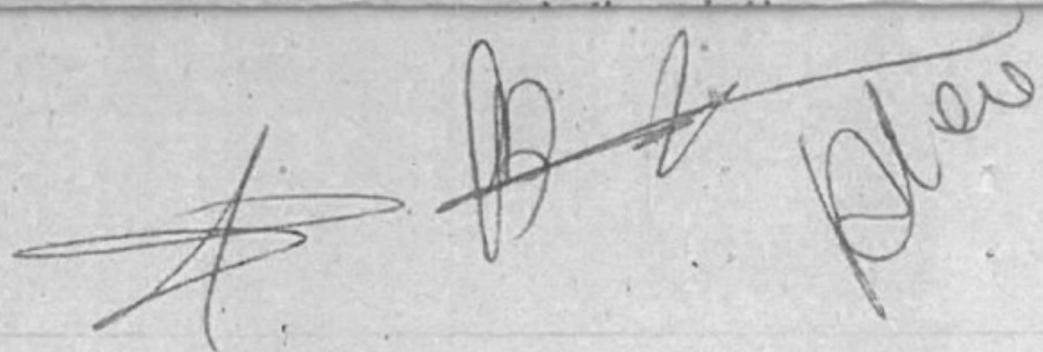

Caso 2: Emorragia cerebrale esame TC dischetto 2

Caso 3: Ascesso periappendicolare ciecale dischetto 3

A handwritten signature in black ink, consisting of several stylized, overlapping loops and lines, positioned at the bottom right of the page.

A tal fine la Commissione predispone le seguenti tre domande:

- 1 - Linee guida per la somministrazione del mdc in allattamento
- 2 - Diagnostica per immagini nella lussazione di spalla
- 3 - Diagnostica nella trombosi venosa profonda dell'arto inferiore

The bottom right of the page contains several handwritten marks. On the left, there is a large, dark scribble that appears to be a signature or initials. To its right, there are two more distinct signatures. The first is a stylized signature with a large loop, and the second is a signature that appears to read 'Piero'.
